ARE YOU READY FOR GRADUATE SCHOOL?

University of Maryland College Park is extremely proud to host the GEM GRAD Lab!

Getting Ready for Advanced Degrees Laboratory

A fun event designed to inform and motivate students from underrepresented groups in STEM (Science, Technology, Engineering and Math) fields to understand the importance of a graduate degree. Students will learn how to successfully apply to graduate school and find funding opportunities. A panel of speakers will provide their insight and experiences on graduate school and beyond.

This is a FREE event with continental breakfast and lunch provided.

Don't miss this informative event!
